To

R.Ranga Rao, Esq., B.A.,B.L.,
Chief Secretary to the Government of Mysore,
BANGALORE.

Sir,

With reference to correspondence ending with your D.O.letter No.L.2812/Ml.65-32-6 dated 1-11-1933 intimating that it was not found possible to provide in the State Budget for 1933-34 more than Rs.15,000/- as grant to the Bangalore City Municipality, I have the honour to request you to move the Government to provide Rs.30,000/- at least for 1934-35, as grant to the City Improvements.

The necessity for the enhancement of the grant has been set forth in detail in my letter No.199 dated 13-1-1933 copy of which is enclosed for ready reference. Since then, the Municipality has had to incur further expenditure on account of the New Water Supply.

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner.

Forwarded with compliments,

President.

MSV.

Copy of letter No.G.To.199 dated 13/16th January 1933 from the Municipal Commissioner, City Municipal Office, Bangalore, to The Chief Secretary to the Government of Mysore, Bangalore.

I have the honour to forward herewith a copy of the resolution of the Municipal Council dated 10th December 1932 requesting Government to raise the Government grant for City Improvement Works from Rs.15,000 to Rs.30,000, as before as many important works of improvements had been held up for want of funds and to state as follows:-

Prior to the year 1920-21 the Government were meeting 2/3 of the cost of City Improvement Works undertaken by the Municipality irrespective of the amount spent. Then the contributions was amounting to about a lakh of rupees. During 1920-21 the contribution was reduced to Rs.75,000/- and further reduced to Rs.50,000/ in 1921-22. The payment of contribution of this amount continued up to end of 1926-27 when there was a further cut in the contribution to only Rs.35,000/-. A sum of Rs.30,000/- was fixed as Government contribution from 1927-28. Even this sum was further cut down, the present grant from 1931-32 being only Rs.15,000/-. This reduction in the grant has slackened City Improvement to a very great extent. As the normal expenditure of the Municipality is increasing year after year no more amount could be allotted for this work out of Municipal funds and all the reserves at the credit of the Municipality have been exhausted.

It need hardly be mentioned that there are many works of improvement, such as opening of conservancy lanes, clearing up of slum areas, widening of roads, opening of parks, construction of poor houses etc., which cannot be undertaken unless the present contribution from Government is at least partially enhanced.

I therefore request you to move the Government to restore

the grant to the original figure of Rs.30,000/- at least from next year as requested by the Council and make due provision therefor in the State Budget.

I have the honour to be,
Sir,
Your most obedient servant,

Sd/- P.V.Krishna Rau,
Municipal Commissioner.

Forwarded with compliments,

B.K. Garudachar,
Honorary President.
